

Designing an Anti-Litter Poster

For teachers/leaders

Links to art and craft - designing a piece of art in the form of a poster.
Skills - communication

Environmental Aim: To think of effective ways of promoting the anti-litter message.

Materials Required: Drawing, painting or collage materials.

Method:

Step One – Think about who you want to see your poster and what you want to tell them.

Step Two – Design your poster. Make it colourful and with a clear Anti-litter message.

Step Three – Display your poster in a place where people will see it.

Additional Activities:

- 1) If you are conducting litter surveys, make a note of where the posters are displayed to see if they are helping to stop people drop litter.
- 2) Have a poster competition.
